Dear Sir/Madam,

CONTRACT No [REDACTED]

I wish to draw to your attention my delight in my dealings with your company. A stairlift was fitted in my parents' home by Paul Devoy and his colleague. A clean efficient operation carried out with the minimum of fuss by two very pleasant individuals.

I would also like to mention Elaine and Christine (REDACTED) who very ably and pleasantly dealt with my telephone queries.

Overall a professional disposal
of this contract from start to
finish. Thank you.

Yours faithfully,

John H S Napier
