

## Stannah Stairlifts

*Thank You*

Stairlift in Situ.

## Lead Number 451784

We wish to record our thanks to all those concerned with the installation of a Stairlift at the address opposite, to include the initial phone call taken by Annette Jones, the surveyor Nick Evans and the installation team of Daniel and Jason plus any other personnel in the background who we are unaware of. Please convey our thanks to these personnel so that they are aware that their efforts are appreciated.

Once again many thanks.

Reginald Jeffries, Janet Jeffries and  
Ken Tonks
